## CRAFT BURGERS & BEER

## LOCAL SUSTAINABLE INGREDIENTS

Located in the heart of Downtown, Garage Kitchen + Bar is the ideal venue for any size event. Our versatile space and laid-back atmosphere is perfect for office cocktail hours, birthdays, holiday parties, and wedding receptions. Our space offers multiple options including private group dining in our upstairs loft, semi-private options throughout the venue, and complete venue buy-outs. Sound hook ups, TVs, and stage lights are positioned throughout the venue to make your audio and visual needs a breeze!

The building was once Carriage Works, a garage, built in 1890. Constructed to house the wholesale business of Todd and Hawley, Carriage Works operated until 1902. Their stock was purchased by Lyons Implement Company, which carried a complete line of Studebaker vehicles, including buggies and wagons. Along with Lyons, San Diego Gas & Electric, San Diego Farm & Dairy Supply, and many more have occupied and added to this building's rich history.

### WITHOUT A GARAGE... THERE WOULD BE NO MUSIC

Although Carriage Works never housed any bands that we know of, GARAGE is a tribute to local San Diego bands that have made it big. Without a Garage we may not have the great music of bands like Iron Butterfly, Gary Puckett & The Union Gap, Stone Temple Pilots, P.O.D, Eddie Vedder, Switchfoot, Slightly Stoopid, Blink 182, Tom Waits and many more.
